

## INDOSAT LAUNCHED PREPAID REGISTRATION

**Jakarta, December 15, 2005** — Today, Indosat launched prepaid registration through free SMS for Mentari, IM3 dan StarOne customers nationwide. Customers can register their prepaid number(s) by sending SMS to **4444**, consisting of their personal Identification by typing: Number of ID (ID/Driver License/Passport/Student ID) # Full Name # Full Address # Place of Birth # Date of Birth (ddmmyyy). Data should be complete and match with their ID used for registration.

“We urge prepaid customers of Mentari, IM3 and StarOne to register, therefore, we can provide better services and quality,” said Indosat Consumer Market Director, Johnny Swandi Sjam, in the middle of Prepaid Registration launching event at the Office of Communication and Informatics Minister.

Registration can be done by Mentari, IM3 dan StarOne active customers with pulse balance higher than or equal to Rp. 0,-. For customers in grace period can not register their prepaid number.

“Other than registration through SMS, customers can also register their number through Indosat Galeri nationwide and Mentari, IM3 and StarOne product portal (web). “All registration mechanism are free of charges”, added Johnny Swandi Sjam.

For registration through Indosat Galeri, customers can visit one of Indosat Galeri and fill out the Prepaid Registration Standard Form. For registration through Contact Center (voice), customers can contact call center in some cities according to their product, IM3 prepaid customers can dial 300 (through HP), 021-30003000, 0 800 1100 888; Mentari prepaid customers can dial 222 (through HP) or 021-54388888; StarOne prepaid customers can dial 111 (through HP) or 021-30111111, 031-60111111, 061-30001111.

Registration through portal (web) by visiting: [www.m3-access.com](http://www.m3-access.com), [www.klub-mentari.com](http://www.klub-mentari.com), or [www.mystarone.com](http://www.mystarone.com).

“For the future, in order to make easier for customers, we are planning to provide registration through portal (WAP) and dealeroutlet,” added Johnny Swandi Sjam.

To publicize this prepaid registration, not only through advertising with Directorate General of Post and Telecommunications and other telecommunication operators. Indosat also use other effort, such as SMS broadcast, advertorial, and other communication channel.

"Hopefully, all Indosat customers will be well informed regarding this policy," said Johnny Swandi Sjam.

The implementation of this prepaid registration should be completed by April 2006, according to the period set by the government.
